	Leaseholders.	During the year the number of leaseholders who applied under the provisions of the Land Law (Ireland) Act, 1887, direct to the Land Commission, was 111, and to the Civil Bill Courts 30; 46 applications were also made to the latter Courts during the same period to fix judicial rents in cases where ejectments were pending, pursuant to the provisions of sec. 6 of the Act referred to.
		The total number of fair rent applications from leaseholders and grantees who have applied under the provisions of the Act of 1887, and under the Redemption of Rent (Ireland) Act, 1891, up to the 31st March, 1900, is 35,747, and of these applications, 34,952 have been disposed of.

The entire number of rents fixed under the Land Law Acts by all the methods enumerated to the 31st March, 1900, for a first statutory term, was 328,720 (excluding trial leases and fixed tenancies). The total rental dealt with was £6,725,049, and the aggregate judicial rent fixed in respect thereof was £5,325,840, the result being an average reduction of 20·8 per cent. over the entire country. The number of such cases struck out, withdrawn, or dismissed, was 65,311. The total number of such cases disposed of during the period from August, 1881, to 31st March, 1900, was therefore 263,409.

Part payment of purchase money.	In 393 of these cases the purchase money in excess of the advances was provided by cash payments amounting to £131,401, and by mortgages to the amount of £38,800. In 143 cases the tenants lodged the Guarantee Deposits, the amount so lodged being £32,648.
Reduction of Purchase Annuities.	Up to the 1st November, 1899, the yearly annuities payable by 9,380 purchasers under the Act of 1885, have, pursuant to Section 25 of the Act of 1896, been reduced. The reduction represents on an average a little less than 10 per cent. on the annuity as previously payable in each case.
Guarantee Deposits.	The total amount of Guarantee Deposits lodged or retained under the Acts of 1885 and 1888 was £1,993,990 10s. 5d. Of this amount £16,548 8s. 4d. has been repaid to the parties entitled thereto, the tenant purchasers liable for the payment of the advances having repaid on account of principal money sums amounting thereto, and £376,638 15s. 7d. has, pursuant to the provisions of Section 29 (3) of the Act of 1896, been paid out of such Deposits to the persons entitled, representing sums equal to the portions of the advances which was ascertained to have been repaid at the end of the first decade. £4,484 6s. 5d. has been applied in discharge of arrears of instalments declared pursuant to the provisions of the Act of 1885 to be "irrecoverable." Thus a balance of £1,596,329 0s. 1d. on the 31st March, 1900, remained as Guarantee Deposits. Of this amount, £264,413 4s. 4d. has been invested, on the application of the parties interested, in securities, as provided by the 10th section of the Act of 1887, and there remained at that date the sum of £1,331,915 15s. 9d., the greater portion of which was with the National Debt Commissioners, and the balance is in our hands.

PROCEEDINGS UNDER THE PURCHASE OF LAND ACTS, 1891 AND 1896.

110	Applications received.	During the year we have received 6,387 applications for advances on 510 estates for £1,791,629 in respect of sales where the purchase money agreed on was £1,500,000. These applications were received from the four provinces as follows:—	
			£

		Connaught,	1,525 " " 340,890
		Munster,	1,123 " " 485,829
	Applications refused.	Applications in 185 cases for £47,091 were refused for insufficiency of security and other reasons during the year.	

We have provisionally sanctioned during the same period 5,607 applications for £1,627,000 and 4,168 loans have been issued for £1,307,955.

During the year to the 31st March last loans were also applied for, sanctioned, and issued by us in 524 cases, to the extent of £146,793, to enable tenants to purchase their holdings in cases in which the estates had been inspected and reported upon by us on the request of the Land Judge pursuant to the provisions of the 40th Section of the Land Act of 1896.

Twelve applications for advances, amounting to £308,914, were received and the loans were issued within the year from the Congested Districts Board, under the provisions of Section 43 of the Land Act of 1896, for the purpose of enabling that Board to purchase estates for the benefit of the Congested Districts, as well as under Section 2 of the Congested Districts Board (Ireland) Act, 1899.

The total ADVANCES under the Land Purchase Acts, 1891-1896, exclusive of those referred to in the foregoing paragraph, issued between 1st April, 1899, and 31st March, 1900, in each Province and for the whole of Ireland, were as follows:—

Since the passing of the Act of 1891 to the 31st March, 1900, we have received altogether 33,328 applications, but after consolidating cases where more than one application had been received from the same applicant the revised number of such applications is 33,283, and the amount applied for £10,004,125; of these 2,132 for £710,782 have been refused for defects in the vendor's title, irregularity, insufficiency of security, and other causes. The total amount which has been provisionally sanctioned is £8,267,622 in respect of 27,040 applications, and of this amount we have issued during the same period 21,930 loans for £6,801,074, which, with advances in 18 cases for sums amounting to £327,185 made to the Congested Districts Board, pursuant to Section 43 of the Land Act of 1896, brings the total amount of Guaranteed Land Stock issued to £7,128,259.

The proceedings towards the issue of £1,466,548, the difference between the amounts sanctioned and issued, are now in various stages of progress.

The periodical return required by the 33rd Section of the Act of 1891 has been prepared for presentation to Parliament, setting forth in the prescribed form complete particulars of every case in which an advance has been made during the year ended 31st March, 1900.

In the return which will be found in the Appendix, the total amount of the advances is stated for which applications were received during the year (and which appeared to us likely to be sanctioned) in respect of each county in Ireland for the purchase of holdings, the rental of which respectively exceeded, or did not exceed, a rental of £50.

APPROPRIATE
LAND
DEPOSITS
released.

We have released, on applications made pursuant to the provisions of Section 29 (2) of the Land Act of 1896, Guarantee Deposits amounting to £259,292.

In some instances we were unable to make the order sought, not being satisfied that sufficient reason existed for dispensing at present with the security afforded.

Advances
for purchase
of holding
subject to a
rentcharge.

Since the passing of the Land Act of 1896 up to the 31st March, 1900, no applications have been received under Section 36 of that Act for an advance for the purchase of a holding subject to a rentcharge.

REDEMPTION OF RENT ACT.

146 Proceedings in purchase cases under Redemption of Rent Act. 1,475 applications under the Redemption of Rent Act have been received since the passing of that Act up to the 31st March, 1900, of which 76 have been received during the year. In 169 cases the landlord consented to the redemption of the rent. The total amount of the prices fixed in 169 cases, on 64 estates at which we made orders for redemption, was £119,411, in respect of a total rental of the holdings, as stated in the applications, of £8,183 8s. 3d., and the total advances sanctioned in respect of the prices so fixed was £106,594. In 44 cases the applications for redemption were refused, and 16 cases have not been adjudicated upon.

125 Proceedings in fair rent cases under Redemption of Rent Act. Out of the total number of applications received under this Act, the landlords did not consent to the redemption in 1,295 cases, and consequently the lessees or grantees were, as the Statute and Rules provide, deemed to have made applications as if they were leaseholders under the Land Act of 1887 to have a judicial rent fixed; and in 11 cases where applications have been received the time to consent has not yet expired.

19 Number of judicial rents fixed. In 837 of such cases judicial rents have been fixed. [The former rental was £32,405, the judicial rental amounts to £39,197, showing an average reduction of 25·2 per cent.] 237 applications have been dismissed or struck out, and 62 have been withdrawn; thus 159 cases await hearing.

PROCEEDINGS UNDER THE LANDED ESTATES COURT ACT, SECTION 40, LAND LAW (IRELAND) ACT, 1896.

125 Proceedings under Sec. 40, Land Act, 1896. Up to the 31st March last 162 requests had been received from the Land Judge under the 40th Section of the Land Act of 1896, and reports by two of our body were made upon 134 of such requests, respecting the prices at, and the conditions under which the sales under the Land Purchase Acts of the holdings to the tenants on the estates referred to in the requests could properly be made. In 94 estates the Orders of the Land Judge directing offers to be made to the tenants on such estates were lodged with us, with the result that advances amounting to £269,334 were made to enable 94 tenants upon 62 estates to purchase their holdings under the provisions of the Section. In the remaining 32 estates where the Orders were so lodged, the proceedings were in various stages towards completion on the date stated.

GENERAL SUMMARY OF PROCEEDINGS UNDER PURCHASE ACTS.

General statement of total proceedings under Purchase Acts during period under review.

In the foregoing paragraphs the general results have been given separately of the proceedings under the Land Purchase Acts of 1885 and 1891, but taking them under both Acts in the aggregate during the period between the 1st April, 1885, and 31st March, 1900, 6,132 applications in all for £1,773,831 were provisionally sanctioned; 4,694 loans, amounting to £1,454,011, were issued, which, with the sum of £303,014, advanced in 12 cases to the Congested Districts Board, brings the total amount issued in the year to £1,762,925, and 185 applications for £47,091 were rejected.

APPEALS IN LAND PURCHASE CASES.

11 appeals against the decision of one Commissioner acting alone in carrying the Purchase Acts into effect were heard by the Judicial Commissioner and two other Commissioners, pursuant to the 29th Section of the Act of 1891, and the 41st Section of the Act of 1896, and 1 appeal in a case arising under the Redemption of Rent Act has similarly been disposed of during the year. Purchase appeals.

During the same period, 17 appeals, requisitions, or references involving questions of law only, were heard by the Judicial Commissioner sitting alone, but inasmuch as most of the questions of law which were formerly so disposed of by the Judicial Commissioner now arise before him when sitting as a Land Judge for the distribution of the proceeds of sales under the Land Purchase Acts, pursuant to the 23rd Section of the Act of 1896, the amount of work of this character disposed of by him is not now represented by the figures here given. Appeals on questions of law only.

PAYMENT OF PURCHASERS' INSTALLMENTS.

On the 1st November last, the total amount payable in respect of advances under the Act of 1885 for the half-year's interest and instalments which had then become due to us, including arrears amounting to £7,350 unpaid on that date, was £196,947 payable by 4,280 payers. Of this amount £186,209 had been paid on 31st March, 1900, by 4,135 payers, leaving £10,738 due by 1,145 purchasers. Of this sum £1,205 was due by 172 persons who owed more than one instalment. The £10,738 in arrear on 31st March has been reduced at the date of this report to £2,985 due by 365 purchasers. Payment of Instalments Act of 1885.

With regard to the payment of the instalments created under the Purchase of Land Act, 1891, the amount receivable on the 1st November last, from 19,725 payers was £11,000, of this £117,760 has been received, leaving £3,240 due by 380 payers. Act of 1891.

The holdings of 113 purchasers who made default in payment of their instalments were advertised for sale during the year. In 84 of these cases the sales were withdrawn, the arrears having been paid; in 29 cases the holdings were sold to ordinary purchasers. In no case have we during the year taken up possession of the holding of a purchaser pending resale for default. In 4 cases, the result of proceedings taken in previous years, the holdings are still in our hands for resale. Cases in default.

LOCAL REGISTRATION OF TITLE (IRELAND) ACT, 1891.

Notices in the prescribed form were lodged with the Registering Authority for the purpose of having the titles of the tenant purchasers registered in 4,664 cases, pursuant to the provisions of Section 23 (1) (b) of the above Act. Current cases.

With reference to the registration of the titles of cases where the sales were completed before 1st January, 1892, during the year 383 statements and applications have been prepared and sent to the parties for verification, 291 have been lodged with the Local Registrars, and in 354 cases the rulings and directions issued during the year and previously have been complied with. In 407 cases Land Certificates have been issued. 1,097 cases have been abandoned owing to the negligence of the applicants. Past cases.

During the period since 1893, when Treasury sanction was first obtained to apply for registration in such cases, 6,068 applications have been sent to parties for verification, 4,737 applications have been lodged with the Local Registrars, and 4,068 Land Certificates have been issued.

1,573 copies of Land Certificates were issued free of charge to the Registered Owners.

AGRICULTURAL DEPARTMENT.

Prices of
agricultural
produce.

The collection and publication of the prices of agricultural produce has, for the period to the 31st day of March, 1900, been continued as heretofore.

A complete return of these prices from the year 1881 to 1899, with a series of diagrams attached thereto, has recently been issued as a Parliamentary Paper (Cd.—111 Session 1900), and it does not therefore appear necessary to re-emboldy in the Appendix to our present Report the information therein contained.

Transfer of
duties.

The duties which the Irish Land Commission hitherto performed in the collection and publication of returns of Average Prices of Agricultural Produce, and the administration of the Markets and Fairs (Weighing of Cattle) Acts, 1887 and 1890, have, in accordance with the Order made by your Excellency under the provisions of Section 2 of the Agriculture and Technical Instruction (Ireland) Act, 1899, been transferred to the Department of Agricultural and Technical Instruction from the 31st day of March, 1900.

FINANCIAL.

26. Account of
Loans
issued by
Commission.

The total amount of Loans issued in cash by the Land Commission since the passing of the Land Law (Ireland) Act, 1881, under the Land Purchase Acts and the Transfer and Public Companies Acts, up to 31st March, 1900, has been £10,254,541. The total amount of principal repaid by the purchasing tenants has been £1,036,835 3s. 9d., the interest paid by them has been £2,959,955 6s. 10d.

Statement
as to
advances.

The detailed statement is given in the Appendix. It excludes advances made under the Purchase Acts, 1891–1896, as the advances under these Acts are made in Guaranteed Land Stock, and amount to the 31st March, 1900, to £7,128,259, as previously stated; advances under the Arrears Act, 1882, are also excluded.

TEMPORALITIES OF LATE ESTABLISHED CHURCH.

Annual
gifts
on Church
Fund
higher than
annual
income.

The property of the late Established Church, which was vested in the Land Commission in 1881, produced during the year a total income of £533,236, including £86,074, the proceeds of sales of property and the redemption of income. Out of the sum received, and the balance in hands from previous year, payments have been made by during the year amounting to £529,945.

The normal annual income receivable for the present financial year, estimated on 1st April, 1900, is £452,964, the fixed charges on the Fund, including sinking fund to repay capital debt, with cost allowed for administration, taken on the same date, amount to £494,258, thus exceeding the income by £41,294. This excess, it may be anticipated, can be covered, and the indebtedness of the Fund further reduced, as in past years.

The sinking funds now borne by the Fund, amounting in the aggregate to about £252,089, for the payment of certain capital debts due to the National Debt Commissioners will, under existing arrangements, terminate in December next. The operation of these sinking funds has been accelerated by the application of surplus revenue to the payment of the capital debt.

26. Arrears.

The amount of arrears due to the Fund at the 31st March, 1900, was £28,425.

In the Appendix will be found a statement of the particulars of the Revenue as it stands at present, and of the expenditure to be met.

By payments made since the property vested, the total liability, inclusive of charges imposed by the Legislature since 1881, has been reduced to £6,273,589; the annuity of £20,000 for the Royal University, which is not a capital charge, is not included.

The original debt of £9,000,000 for the purposes of the Church Act, and due to the Commissioners for the reduction of National Debt, has been reduced to £252,089. At the date of our last report the amount was £531,612.

Advances of Guaranteed Land Stock amounting to £25,587 have been made under the Purchase Act of 1891, up to the 31st March last, to 63 tenants of the Church property to enable them to purchase their holdings.
